RE: Request to Intervene in Epcor rate case
Docket No. W-00000C-16-0151

My name, address and telephone number are provided below. All documents should be served upon me electronically at fgbotha45@gmail.com

I request to intervene in this discussion because I am a residential user of water and wastewater and any increase in rates will directly and substantially impact my household budget. I live on a minimal retirement income and I cannot afford any significant increases.

My intervention would not unduly broaden the issues in the case because my concerns are directly related to the rates and charges and information proposed by Epcor and already at issue in the case.

I understand that a hearing has been scheduled after May 1, 2016.

I have served this request to intervene with 13 copies to the Arizona Corporation Corporation and its officers by mailing it in a properly addressed envelope with first class US postage required.

I am representing myself as an individual.

Sincerely,

Frederick G. Botha
